Training Fee

R 10 000

This is a 4 day training course.

After receiving your deposit, a PMU manual will be sent to you to do pre-study.

Microblading is a part of permanent makeup.

You work with skin, needles and pigments.

We want you to FULLY understand all aspects of skin, colour theory and tattooing principles.

It's imperative that you do go through the manual before your course.

We will cover the following and more:

Product knowledge, Procedure room setup, Colour theory, needles, finding correct skin depths, skin preparation, anaesthetics, eyebrow mapping, eyebrow design, hairstroke techniques, shading techniques, factors affecting microblading, healing process / aftercare, corrections, photography, marketing, before & after care and Infection control.

ADVANTAGES OF MICROBLADING:

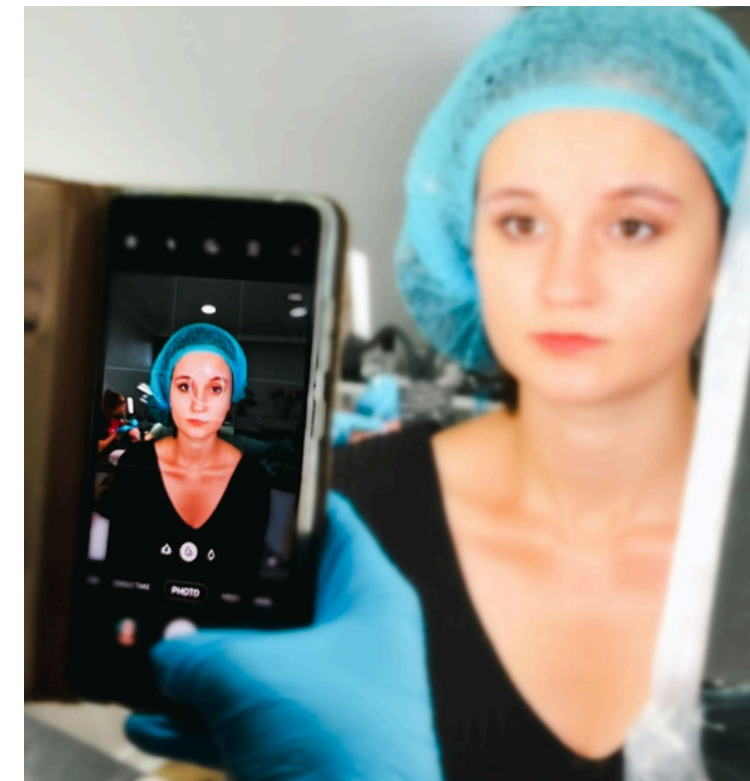

- Very natural-looking results
- Each hair can be drawn in individually
- More affordable for the technician to start her career
- Thicker pigment is used to have better retention
- Lasts 1-2 years, with annual refreshers needed
- Every year new advanced techniques can be done.
- With correct anaesthetics procedure is comfortable
- Equipment cost is affordable

THIS COURSE IS IDEAL FOR YOU IF YOU ARE:

- Looking for a second income
- Interested in starting a new career
- Beauty/Makeup artist wanting to expand
- Salon owner searching for a new revenue stream
- Wanting to attract more clients
- New to the beauty industry, with no prior qualifications
- Looking to setup your own mobile business

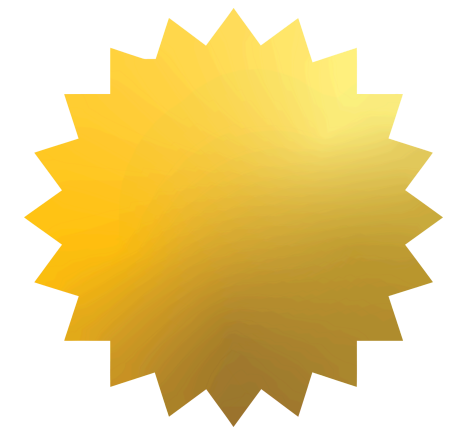

WE CANT WAIT TO MEET YOU...

Three live models will be done in class.

An attendance certificate
will be given upon finishing your four day course.

**WE ARE EXCITED TO HAVE YOU
ON THIS
JOURNEY WITH US.**
